

Nationally Accredited Medicines Management Skills Training

A Blended Learning Programme

Assessment

Candidates undertaking 2 modules at the same time will require only one interview.

On completion of the e-learning, competencies and portfolio, candidates will be required to:

- Undertake the e-assessment. The assessment will consist of multiple choice and sort answer questions related to Medicines Management. The assessment will be marked externally by the Pharmacy Technician Programmes Team at UEA
 - Participate in an external review conducted by two members of the Pharmacy Technician Programmes Team at UEA
-
