

Nationally Accredited Medicines Reconciliation Scheme

A Blended Learning Programme

Practice Activities

Candidates must undertake a range of activities and record their experience in an e-portfolio.

Module 1 – Drug History Taking

The candidate must perform a minimum total of 15 observed drug histories

Module 2 – Medicines Reconciliation

The candidate must perform a minimum total of 15 observed Medicines Reconciliations.

Candidates must ensure that the required breadth of experience has been covered and highlight areas using reflective practice where further training is required.

The portfolio forms part of the assessment. All evidence collected must be uploaded to the e-portfolio.
