

# Patient Consultation Skills Accreditation Scheme

## A Blended Learning Programme

### Practice Activities

Candidates must undertake a range of activities and record their experience in a Portfolio. The purpose of the portfolio is to:

- Document the consultations that have been undertaken
- Ensure that a breadth of experience has been covered
- Highlight areas where further training is required

The e-portfolio forms part of the assessment. All evidence collected must be included in the portfolio for review and discussion during the assessment on Study Day 2.

### Practice activities include:

- Reflective account of pre-course consultations
  - Reflective essay
  - 15 patient consultations
-
